Camp Overview

Participants bring their imaginations to life using digital cameras and Stop Motion Pro software technology to become the producer, the director, the character, and the editor for their very own movie. This camp is a great introduction to basic video production.

Expectations for Parents

Parents are expected to drop off their child five minutes before the program and pick up promptly at 4 p.m. A picture ID is required to pick up your child. Anyone picking up a child from Stop Motion Animation Camp must be listed on the child's Health Care Form.

All materials and equipment are provided by the Classroom Antics staff. Participants take their movies home to watch with their friends and family on a complimentary USB drive at the end of the week.
